

Star Chem FZE
Your Middle East Chemical Connection

Star Chem FZE

With our office in Sharjah Airport Free Zone, Sharjah, United Arab Emirates, Star Chem was founded in 2009 as agents and distributor of specialty Chemical raw materials to industries in the Middle East. Star Chem is a fast-growing independent chemical distributor serving customers in a range of markets including Paint, Resin, Coatings, Ink, Adhesives, Construction Chemicals, Paving block, AAC Block, Plastic, Lubricant and Grease, Vegetable Oil Refining Industries.

We are a young company, with experienced personnel manning the organization. We hope to grow with support and good wishes of our customers, suppliers, partners and friends.

Effective sourcing is the Key

Star Chem has earned name as a reliable agent cum distributor of cost effective raw materials. Our effective sourcing is what holds the key to our success. We are constantly on the look out for new, dynamic and competitive sources who are geared to meet the demands of the changing market.

Whether our customers need a specific chemical to be located or packed in to a specific size or they are looking for an alternate source of product that we don't have in our product list, we are the company to be relied upon. We make every effort to solve your raw material sourcing problems when other suppliers have given up.

We source efficiently from reliable manufacturers worldwide, mainly from emerging countries like china, India, Taiwan, Korea,, south Africa and other far eastern countries. Our suppliers share high standards when it comes to delivery, reliability, and product quality at unbeatable prices.

Mission

Star Chem will grow in the Chemical Distribution business by providing a comprehensive line of quality raw materials, at the most competitive prices, superior technical sales representation and the highest level of customer satisfaction and service. We will strive to be the trusted, reliable and knowledgeable partner to our customers and suppliers, and thus support them in the success of their business.

We will expand and diversify our product range, principal and customer base to ensure that Star Chem remains profitable and financially healthy.

We will hire and maintain the most qualified, capable and talented personnel and provide all employees the best possible working environment possible, recognizing and rewarding achievement, dedication and excellence.

Our Territory

We cater to the chemical raw material requirements of our demanding customers mainly in Gulf Cooperation council (G.C.C) comprising of U.A.E, Saudi Arabia, Oman, Bahrain, Kuwait and Qatar. We do cater to some parts of LEVANT too. Our customers can expect to benefit from our expertise and experience in efficient sourcing coupled with logistic and supply chain support.
